

## Consignment Agreement

Home Again Design (HAD) accepts quality pre-owned furniture and accessories. Furniture must be clean and in good condition. Acceptance of merchandise for sale and determination of final pricing is at the discretion of HAD. All consignments are for a period of 12 weeks and once delivered to HAD, the merchandise may not be picked up prior to the end of the full 12-week period.

Consignors will receive, as a part of this agreement, a Merchandise Report that lists all items consigned. It is the Consignor's responsibility to review this report for accuracy. HAD will not be responsible for errors, omissions or inaccurate information on this report.

**The Consignor must pick up merchandise not sold within the 12 week period within five (5) days of the end of this agreement. After 13 weeks from the date of this agreement, HAD reserves the right to dispose of (by donation or re-consignment as store-owned inventory) all merchandise listed in this agreement.**

Merchandise will be reduced by 15% off of the original price after 4 weeks and 30% off of the original price after 8 weeks. There is an item fee added to each consigned item to offset the cost of handling. Each item's price tag will reflect the price of the item as more than what HAD has quoted you due to the addition of the item fee. Consignors will receive 50% of the final selling price minus the handling fee. HAD will mail checks for merchandise sold by the end of the month after the 15th day of the following month. **Checks will not be reissued after 90 days from the issue date.**

All reasonable care will be taken of articles consigned, however. Consignor acknowledges that they are left at their own risk. Merchandise must be covered under Consignor's homeowner's policy during the consignment period. The Consignor represents that they own outright all items listed as a part of this agreement.

HAD has the right to photograph any item being consigned and retain the images for any promotional use it desires.

I have read and agree to the above terms:
